- **Comprehensive Benefits**: Access to health, dental, and vision insurance, retirement plans, and more.
- **Professional Growth**: Opportunities for continuous learning and career advancement.
- **Supportive Environment**: Work in a collaborative and supportive environment where your contributions are valued.

Job Qualifications:

- Bachelor's Degree in Social Work from an accredited university.
- Two years recent related experience in a healthcare setting working with medically complex clients with concurrent disorders, or a combination of education, training and experience.
- Current registration with the British Columbia College of Social Workers.
- Current valid BC driver's license.

About Northern Health:

Northern Health serves a vast area of nearly 600,000 square kilometers, providing health services to over two dozen communities and 55 First Nations communities. We deliver hospital and community-based health care to a population of 300,000. With over 9,000 staff, we offer exceptional health services through dedicated staff and physicians, in partnership with communities and organizations in Northern BC.
